To Maximise the Return on Your Business Investment You Need the Best Available People.

Here's why Abbertons is the number one choice to help you find them ...

- 1. More Quality Candidates**
Reap the benefits of our many years of experience in the recruitment business.
Access the very best people through our relationships with the '**hidden employee market**'.
Experience has shown us that the anonymity of an outsourced recruitment process attracts more of these 'hidden', quality candidates.
- 2. Reduced Risk and Stress**
Our team of trained professionals will do all the work for you to maintain focus on your core business, **save time** and reduce the **risks of employing the wrong person**. We manage your employment related risk such as privacy, EEO, antidiscrimination and general employment issues.
- 3. Return on Investment**
Like hundreds of our previous clients, your experience will be that your new team members will provide you with a positive return on your investment and create a competitive advantage for your business.
- 4. Save Time and Money**
When hours spent and opportunity costs are considered, it costs less to outsource your recruitment. Time saved can be spent on retention of staff and further development of your business.
- 5. Expertise on Tap**
Rest assured that Abbertons consultants are professionals, qualified and committed to adding value to your business and achieving a professional, unbiased outcome.
- 6. Ongoing Talent Spotting**
If you choose to work closely with us, we are always on the lookout to secure you the best talent in your marketplace.
- 7. A no risk Guarantee**
 - We will not send people who do not meet your criteria.
 - If you do not believe that any of the shortlisted candidates will provide you with a positive return on your investment, we encourage you NOT to proceed.
 - If you do and for some reason the person does not work out in the first 3 months, we will replace that position with no further fee payable (advertising costs may be required).
